Authorization Statement

Federal regulations require the University of Chicago to obtain your authorization to use Title IV program funds, Subsidized and Unsubsidized Stafford Loans, GradPLUS Loans and Federal Perkins Loans to pay expenses that are not tuition, mandatory fees, or room and board charges but that do appear on your tuition bill. These expenses may include student health insurance, telephone charges, or other non-educational expenses.

The Office of the Bursar will apply all Title IV loan funds to tuition, required fees, and room and board charges, if applicable. Should there be an excess of funds, you have the option of applying these funds to non-educational expenses. You have the right to modify or rescind this authorization at any time by signing another form with Student Loan Administration. NOTE: If you do not authorize use of PLUS funds for non-educational charges, your loan refund may be delayed due to manual processing.
