

University of Chicago Pritzker School of Medicine **2008-09 Timeline for Residency Application**

Mid-June, 2008

- The San Francisco Match begins accepting registration for applicants in Child Neurology and Ophthalmology. Once registered, you will receive confirmation e-mail with your 5-digit match registration number, login to access the full-version of the program directory and additional match information, and begin working on applications via the Central Application Service
- Urology applicants can register online at the AUA website and will receive an identification number within 2 weeks that should be given to every program with which they interview. Urology programs have the option to participate in ERAS. Applicants should investigate the process of application program by program.

Late June, 2008

- Schools begin to generate and distribute MyERAS tokens to applicants.

July 1, 2008

- MyERAS website opens to applicants to begin working on their applications.

August 15, 2008

- Applicant registration at NRMP begins at 12:00 p.m. EST.

August 27, 2008

- Target date for completion of Central Application Service materials for Child Neurology (San Francisco Match).
