

July 15, 2008

Dear Class of 2012,

We hope this third and final mailing finds you enjoying your July. With the hot temperatures, stunning fireworks, and fun festivals, summer is officially in full swing here in Chicago. Summer also means that Orientation is just around the corner, and we are looking forward to your arrival. During Orientation you will begin meeting some of the great Pritzker faculty and staff, getting to know your classmates and other Pritzker students, and learning much more about what you will experience over the next four years. Orientation will officially begin at 8:00 a.m. on Friday, August 1 in the BSLC lobby. We will soon be sending you a detailed schedule for the rest of Orientation. The schedule is quite busy and you will not have much free time. We recommend you find time in these last few weeks of July to take care of your last-minute errands (i.e. housing issues, banking, health insurance, shopping, financial aid, etc.), while also relaxing and resting. Please continue to email us with your last minute questions and concerns.

In addition, if you have not yet done so, you can now claim your UC CNet ID. This ID will serve as your University of Chicago email address, and will be the username and password you will use to log on to U of C websites. This includes Chalk (online site for your classes), cMORE (where you can access grades, billing info, and other administrative info), the wireless network, etc. Once you have claimed your CNet ID, you will be able to set up your University of Chicago email account and access these sites. You can do this by going to: <http://cnet.uchicago.edu/>.

Lastly, we'll get down to the business of this mailing. In this mailing you will find:

- A welcome from our Pritzker Chiefs
- A letter from our Basic Life Support group leaders about your BLS training
- A welcome letter from the Assistant Dean for Student Affairs
- A reminder sheet about checks you should bring for station rotations on Friday, August 1st, the AMSA Book Sale on August 2nd, and to have professional attire for the White Coat Ceremony on Sunday, August 3rd
- Information on student health insurance and student disability insurance
- A welcome message from our "Pritzker Societies" Orientation Committee describing our Pritzker Advising Societies
- A sample of flyers from some of our student organizations. We have MANY student groups here at Pritzker and many different ways for you to get involved during your first year at Pritzker. This is just a few of them! Do not worry if you don't see your favorite interest group. You can find a more complete list of Pritzker student groups, which includes career interest groups, free clinics, community outreach groups, etc., at <http://pritzker.bsd.uchicago.edu/current/students/organizations/orgs.shtml>. (You should not worry about joining any groups just yet. You will be learning much more about all of our student groups when you get here in August. For each group you will find out what they do and how

you can become involved. For now, we just wanted to give you a taste of some of the non-class opportunities awaiting you.

That should cover everything for our last mailing. Over the past few months we have sent you a great deal of information. We hope it has both prepared and excited you for August and the upcoming year. Enjoy your last couple weeks of break and get ready, because Orientation will be here before you know it. We have said it before, but we'll say it again, the Pritzker family is thrilled for you to join us. So long (for now) from Hyde Park—we'll be seeing you soon!

Jon Erlich
